PHYSICIANS’ NON-ABRASIVE EXFOLIATING CREAM

This cream is designed for weekly use to effectively remove the outermost skin layer that has been naturally loosened over time. Its gentle, non-abrasive action exfoliates dead skin cells and other debris to reveal a smoother, more refined skin texture with improved clarity.

**Directions:**
Apply a thin layer to dry skin, avoiding the eye area. Gently massage the skin using small circular strokes, adding water if necessary. Remove residue with lukewarm water until skin is clean, and pat dry. Do not apply additional home care products with acids (glycolic, salicylic, etc.) or alcohol for at least 12 hours.

**Ingredients:**
Water (Aqua), Paraffin Wax, Kaolin, Glyceryl Stearate, Stearic Acid, Triethanolamine, Phenoxyethanol, Carpylyl Glycol, Ethylhexylglycerin, Hexylene Glycol, Disodium EDTA

pH: 3.0
HYDRATING FIRMING TONER

The Hydrating Firming Toner firms the skin with Matrixyl & L-Ascorbic Acid, and hydrates with Hyaluronic Acid (Sodium Hyaluronate), which helps hold connective tissues together, allowing for increased hydration and moisture retention in the skin.

Directions:
With eyes closed, spray on clean, dry face twice daily or throughout the day to refresh and hydrate the skin as needed. May also be applied by spraying onto hands and smoothing onto the face with fingertips.

Ingredients:
Water (Aqua), Aloe Barbadensis Leaf Extract, Sodium Hyaluronate (Hyaluronic Acid), Sorbitol, Spiraea Ulmaria Flower Extract & Centella Asiatica Extract & Leucine & Valine & Tyrosine & Arginine & Lysine, Glycerin, Imperata Cylindrica (Root) Extract & PEG-8 & Carbomer, Crithmum Maritimum Extract, Palmitoyl Pentapeptide-4 (Matrixyl), Polysorbate 20, Phenoxyethanol & Caprylyl Glycol & Ethylhexylglycerin & Hexylene Glycol, Sodium PCA, Panthenol, PEG-40, Hydrogenated Castor Oil, Algae Extract, Rosmarinus Officinalis Leaf Extract, Chamomilla Recutita Flower Extract, Melia Azadirachta Leaf Extract, Fragrance (Parfum), Allantoin, Dipotassium Glycyrrhizate, Disodium EDTA, Citric Acid, Blue 1 (CI 42090)

PINEAPPLE FACIAL SCRUB

Providing a gentle and moisturizing exfoliation, the pineapple facial scrub is a gel based scrub infused with jojoba beads, aloe, and seaweed extract, effectively removing dead skin cells, and preparing the skin for professional treatments.

Directions:
Apply to hands and emulsify with water. Gently massage the scrub onto entire face using upward circular motions, and remove with lukewarm water. Use 1-2 times per week. For external use only.

Ingredients:
Water (Aqua), Cocamidopropyl Hydroxysultaine, Polysorbate 20, Glycerin, Chondrus Crispus (Seaweed Extract), Jojoba Esters, Polyethylene 50, Polyethylene 52, Triethanolamine, Carbomer, Chamomilla Recutita Flower Extract, Rosmarinus Officinalis Leaf Extract, Disodium EDTA, Aloe Barbadensis Leaf Juice Powder, Phenoxyethanol, Caprylyl Glycol, Ethylhexylglycerin, Hexylene Glycol, Citric Acid, Fragrance (Parfum)

pH: 5.50
LIP PLUMPING REVITALIZER

This enhanced lip treatment helps provide added volume and moisture retention to the lip area, while stimulating new cell growth, leaving the lips rosy, healthy, and moisturized.

Directions:
Using fingertips, apply once or twice daily by dabbing onto the lips and massaging in with fingertips. It may also be applied around the perimeter of the lip area to reduce furrows.

Warning:
This product should not be used by those prone to cold sores or fever blisters, as it will likely activate the condition.

Ingredients:
Jojoba Seed Oil, Ethylene Propylene/Styrene Copolymer, Ethylhexyl Palmitate, Retinyl Palmitate, Tetrahexyldecyl Ascorbate, Butylene/Ethylene/Styrene Copolymer, Tribehenin, Sorbitan Isostearate, Palmitoyl Oligopeptide, Dipalmitoyl Hydroxyproline, Coffea Arabica Seed Oil, Caprylyl Glycol, PPG-12/SMDI Copolymer, Dimethicone, Tocopheryl Acetate, Menthol Camphor, Benzyl Nicotinate, Thiocytic Acid

pH: 5.5
REPARER SERUM

The Reparer serum is specifically formulated to promote healing and repair dry or irritated skin affected by environmental free radicals. The Reparer serum contains liposomes, which encapsulate and slowly time releases beneficial Vitamin A, C, E, and Hyaluronic Acid into the afflicted skin. The Reparer Serum is recommended for temporarily or chronically dehydrated skin.

**Directions:**
Apply to clean, dry skin by massaging onto the face with fingertips once or twice daily.

**Ingredients:**
Water (Aqua), Aloe Vera Gel, Polyglyceryl Methacrylate, Sodium Hyaluronate (Hyaluronic Acid), Ginseng Extract, Fructose, Glutamic Acid, Ginkgo Biloba Extract, Glucose, Mucopolysaccharides, Soy Lecithin, Aspartic Acid, Phospholipids (Liposomes), Hydrolyzed Yeast Extract, Dextrin, Polysorbate 20

pH: 6.35
